The First Place Family Center offers crucial assistance to families with children who are homeless or at risk of becoming homeless. Services help meet families' immediate needs as well as help to promote self-sufficiency.

Case managers help families identify their immediate needs and personal support systems. The next step is to develop an individually tailored action plan, designed to move families toward stability. Components may include job searching, GED classes, locating affordable housing, drug and alcohol treatment, etc.

Each family receives on-going case management and advocacy as they secure housing, locate and maintain employment and take steps necessary to address issues that may have contributed to their homelessness.

HALLOWEEN PARTY! DINNER & TRICK OR TREAT FOR CANNED FOOD—Halloween, Saturday, Oct. 31st

5:30-9:00pm. For Middlers and Higher. Come dressed up in your favorite costume (nothing evil, please) and bring your friends! We'll start at Pastor Robyn's

House with a spooky Witch's dinner, then go in teams into the community to trick-or-treat, and see who gets the most food! We'll wrap up the evening with a Halloween party. Items collected will be donated to Food For Lane County.

We'll decide at Confirmation what kind of food to bring—pizza? Burritos? Subway? (She'll bring lunch to Monroe or Cal Young in December & January)
